DEDICATION

The 1985 Town Report is dedicated to John L. "Jack" Webb, Jr., who has served as Tax Collector for 12 years. The Selectmen join the Town in giving Jack a well deserved thank you for a job well done.

Jack grew up in Philadelphia, and attended the public schools there until he graduated from high school. During World War II he served in the Navy for two years. After the war he attended the University of Delaware, and then the Pierce School of Business where he got a certificate of Business Administration. In 1953 Jack came to New Hampshire to be office manager at Keasby and Mattison in Meredith. In 1958 he moved to Sandwich. In 1962 he married Eleanor (Lee), and the two have two daughters, Mary Elizabeth (Betsy) and Martha. They have also had foster children in their home, Selina and Joyce becoming part of their family. The Webb family has lived in the village of Center Sandwich for many years. Both Jack and Lee Webb have run their businesses from their home.

Jack has worked in the Burrows store since 1970 and has worked as a rural carrier for the Post Office since 1979. He also does accounting and is a member of the National Association of Public Accountants. Between 1954-78 Jack was either a Boy Scout Leader or a committee member. He has been a member of the Sandwich Town Club since its inception, and is a former president. At the present time he is serving on the Sandwich Historical District Commission where he has served since the Commission was started.

SPECIAL TOWN MEETING

April 23, 1985

State of New Hampshire

Carroll SS

The special town meeting held in the Town Hall was called to order at 7 p.m. by Moderator, Norman Chatel. Rev. Burrett McBee gave the invocation. Mr. Stuart Heard led the salute to the flag.

Moderator informed the meeting that we were there for only one purpose, and that was to take action on the article which was posted—as follows:

To the inhabitants of the Town of Sandwich qualified to vote in Town affairs: You are hereby notified to meet at the Town Hall in said town on Tuesday, the 23rd day of April next, at 7:00 p.m. for the casting of ballots upon the following article. (Explanation: Article one will be discussed and voted upon by secret ballot. As soon as all voters present have voted, the polls will close, and the votes will be counted.) The Moderator explained the last sentence is in error, the ballot box will remain open for one hour.

ARTICLE 1

To see if the Town will vote to raise and appropriate the sum of \$66,000.00 for the purpose of improvements and reconstruction to the Sandwich Slopes Road, including the cost of land acquisition, to provide an alternate entrance to that roadway for the purpose of bringing that roadway up to current Town standards. This improvement is being done so that the roadway will be in appropriate condition for the Town to accept Sandwich Slopes Road as a Town road. Further, the Selectmen are hereby authorized to borrow by notes or bonds the amount of \$66,000.00 to complete this project. Said bonds or notes with interest and all costs of this improvement, including the land acquisition, is to be recovered from the landowners abutting the roadway by a series of betterment assessments taxed over a period of years to be determined by the Selectmen. This article must be voted on by secret ballot with a 2/3 affirmative vote of the voters present.

Discussion followed.

Stuart W. Heard moved.

Frederick C. Rozelle, Jr. seconded.

Moderator asked Jessie Barrett and Peter Pohl to inspect the ballot box before locking same, and informed the meeting that the voters would have one hour to cast their ballot, and informed all that those in favor should mark their ballot with a yes, and those not in favor should mark their ballot with a no. Ballot box was opened and voting began at 7:35 p.m. At 8:35 p.m. the Moderator declared the voting closed on Article 1. Mark Mayberry made a motion, seconded by Peter Prentice that we adjourn the meeting and count the ballots. The ballots were

tallied with the following results. 94 voting, 66 yes, 28 no = 70.2% voting in the affirmative.

I, Rita P. Taylor hereby certify that the preceding are the true and correct results of the action taken on Article 1 at the Sandwich Special Town Meeting on April 23, 1985.

Signed,
Rita P. Taylor
Town Clerk
Sandwich, N.H. 03227

**SANDWICH TOWN WARRANT
1986**

State of New Hampshire

Carroll, SS.

To the inhabitants of the Town of Sandwich qualified to vote in Town affairs:

You are hereby notified to meet at the Town Hall in said Town on Tuesday, the 11th day of March next from 10:00 a.m. until 7:00 p.m. for the casting of ballots and at 7:30 p.m. Wednesday, the 12th day of March, 1986, at the Sandwich Central School to act upon the following articles:

(Explanation: Article 1, relating to the election of Town and Cooperative School District Officers, will be taken up on Tuesday, March 11th, and poll will be open from 10:00 a.m. until 7:00 p.m. A second session to consider all other Town business will be held on Wednesday, March 12, at 7:30 p.m. as per vote of the Town to accept provisions of RSA 39:2a.)

ARTICLE 1. To elect by official ballot all necessary Town and cooperative school district officers for the ensuing year.

ARTICLE 2. Shall we adopt the provisions of RSA 72:37 for the exemption for the blind from property tax? This statute provides that every inhabitant who is legally blind shall be exempt each year from the property tax on a residence to the value of \$15,000.00. This is to be voted by secret ballot. This is a petitioned article.

ARTICLE 3. To see if the Town will vote to waive the fee to be charged for a permit to register one motor vehicle owned by any person who was captured and incarcerated for thirty (30) days or more while serving in a qualifying war or armed conflict as defined in RSA 72:28IV, and who was honorably discharged, upon providing satisfactory proof to the Town Clerk.

ARTICLE 4. To see if the Town will vote to oppose the burial, storage, transportation and production of high level radioactive waste in the Town of Sandwich and State of New Hampshire; and to call upon Congress to conduct an independent investigation with full public anticipation into the feasibility and prudence of the U.S. Department of Energy's (DOE's) present plan to dispose of radioactive waste and into DOE's competence to carry out such a plan. This is a petitioned article.

ARTICLE 5. To see if the Town will vote to authorize the Board of Selectmen to apply for, accept and expend money from the State, Federal or another government unit or a private source which becomes

available during the year subject to the provisions set forth in RSA 31:95-b.

ARTICLE 6. To see if the Town will vote to authorize the Selectmen to convey property acquired by the Town, by Tax Collector's deed, by public auction (or advertised sealed bid) or in such other manner as determined by the Selectmen as justice may require.

ARTICLE 7. To see if the Town will vote to eliminate the Board of Sewer Commissioners.

ARTICLE 8. To see if the Town will determine by vote the salaries and/or other compensation to its officers and agents at the following rates:

- A. Selectmen \$1,100.00 per year plus \$6.00 per hour for special work such as assessing, bookwork, special meetings, etc., and \$.22 per mile for official town business.
- B. Town Treasurer \$1,300.00 per year plus expenses.
- C. Deputy Treasurer \$100.00 per year plus expenses.
- D. Tax Collector \$1,500.00 per year plus expenses.
- E. Deputy Tax Collector \$100.00 per year plus expenses.
- F. Town Clerk \$750.00 per year plus fees and expenses.
- G. Deputy Town Clerk \$100.00 per year plus expenses.
- H. Moderator \$5.00 per hour for services rendered at Town Meeting and all other Town, State and National elections.
- I. Deputy Moderator \$4.00 per hour for services rendered at Town Meeting and all other Town, State and National elections.
- J. Ballot Inspectors \$4.50 per hour.
- K. Supervisors of Checklist \$175.00 per year plus \$4.50 per hour for additional work.
- L. Treasurer of Trust Funds \$550.00 per year.
- M. Forest Fire Warden \$150.00 per year.
- N. Director of Public Works; Salary \$19,500.00 to \$23,000.00 to be set by Board of Selectmen.

ARTICLE 9. To see if the Town will vote to raise and appropriate the sum of \$556,324.00 to pay the following expenditures:

General Government	\$ 90,631.00
Public Safety	56,755.00
Highways, Streets, Bridges	184,245.00
Sanitation	27,800.00
Health	21,327.00
Welfare	9,341.00
Culture and Recreation	3,525.00
Debt Service	56,000.00
Operating Transfers Out	23,300.00

Miscellaneous 83,400.00
 The breakdown of the major categories are listed in the budget.

ARTICLE 10. To see if the Town will vote to raise and appropriate the sum of \$27,455.00 for the development of the Town Recreation Program and the employment of a full-time Recreation Director, \$16,000.00 to be contributed by the Quimby Trust, the remainder (\$11,455.00) to be raised through Town taxes. (If this article is voted in the affirmative, pass over the next article.) This is Line Item #50.

ARTICLE 11. To see if the Town will vote to raise and appropriate the sum of \$25,055.00 for the development of the Town Recreation Program and the employment of a Part-Time Recreation Director, \$16,000.00 to be contributed by the Quimby Trust, the remainder (\$9,055.00) to be raised through Town taxes.

ARTICLE 12. To see if the Town will vote to establish a Capital Reserve Fund in accordance with RSA Chapter 35 to be known as Land-Fill Closure Capital Reserve Fund and to appoint the Selectmen as agents of the Town in accordance with RSA 35 Section 15 to carry out the purpose of said Capital Reserve Fund. Further to appropriate the sum of \$52,000.00 to be added to this Fund, \$12,000.00 to be withdrawn from Federal Revenue Sharing Fund, with the remainder to come from 1985 carry-over surplus funds, as already approved by the Department of Revenue Administration. (The purpose of this fund is to comply with the State Law in closing and sealing landfill.) This is Line Item #71.

ARTICLE 13. To see if the Town will vote to raise and appropriate the sum of \$5,000.00 for the State Road Improvement, the State contributing \$10,000.00. This is Line Item #63.

ARTICLE 14. To see if the Town will vote to raise and appropriate the sum of \$11,388.00 to rent/lease a CASE 480SE, 4WD, Wheel Tractor Loader Backhoe with a Wain-Roy Quiktach Swinger with a 24-inch heavy duty bucket and a 48-inch grading bucket. \$9,912.00 of this amount is for a standard backhoe and is a bid price. \$1,476.00 of this amount is for a "quick-release" hoe bucket so that a "gradall-like" bucket could be easily substituted for use in grading. The lease on the whole package may be broken at any time by the Town and is on the basis of \$949.00 per month for forty-eight months. At the end of the forty-eight month period, if the equipment proves to be satisfactory, the Town would own the equipment. (If this article is voted in the affirmative, pass over the next article.) This is Line Item #65.

ARTICLE 15. To see if the Town will vote to raise and appropriate the sum of \$39,496.00 to purchase a Case 380SE, 4WD, Wheel Tractor Loader Backhoe with a Wain-Roy Quiktach Swinger with a 24-inch heavy duty bucket and a 48-inch grading bucket, and to authorize the

Selectmen to withdraw up to \$39,496.00 from the Capital Reserve Highway Department Equipment Fund for this purpose. \$34,396.00 of this amount is for a standard backhoe and is a bid price. \$5,100.00 of this amount is for the Wain-Roy Quiktach Swinger and buckets referred to above in Article 14.

ARTICLE 16. To see if the Town will vote to authorize the Selectmen to expend the interest of \$35,107.63 from the following Trust Funds in addition to such sums as have been previously appropriated in accordance with the provision and purposes of the following trusts:

Charles Blanchard Highway Fund	\$4,237.83
Moses A. Hall Highway Fund	3,459.30
Sandwich Town Grange Fair Association	496.96
Daniel D. Atwood Sidewalk Fund	149.08
Slade Improvement Fund	403.48
Sandwich Revolution Bicentennial Fund	3,027.59
Marjorie Thompson Fund	3,231.49
Edrie Burrows Fund	654.20
Lena T. Nelson Memorial Flag Fund	1,119.98
Doris Benz Memorial Fund	18,169.59
Sandwich Recreation Fund	158.13

ARTICLE 17. To see if the Town will vote to raise and appropriate the sum of \$5,000.00 to be used by the Town Forest Committee to pay the expenses incurred in managing and surveying Town Forest Land; and to authorize the Selectmen to use funds from the Town Forest account for this purpose.

ARTICLE 18. To see if the Town will vote to accept from the Sandwich Volunteer Fire Department the gift of a 1986 Ford F-350 Four Wheel Drive Truck with a Grumman-Olsen Aluminum Body equipped with emergency lights, siren and radios, to be used by the Fire Department as a Rescue Vehicle.

ARTICLE 19. To see if the Town will vote to accept a piece of land donated and deeded by John R. Taylor. The land has 2.62 (plus or minus) acres and identified as R1 Lot 50A.

ARTICLE 20. To see if the Town will vote to continue to plow private driveways. Suggested fees to cover actual full costs to be set at \$30.00 for a driveway up to 90 feet in length and \$.30 for each additional foot and to authorize the Selectmen to set a price for plowing only of private and development roads; and to use the money raised in fees in accordance with this article, and to authorize the Selectmen to allow a reduction in the 1986/1987 plowing fees for the individuals who paid in 1985 and who pay on time in 1986 by October 31, 1986 and to transfer up to the sum of \$8,000.00, if available,

from excess money from the 1985/1986 Plowing Fees to the Capital Reserve Highway Department Equipment Fund.

ARTICLE 21. To see if the Town will vote to adopt written welfare guidelines as proposed by the Board of Selectmen. Chapter 380 of the laws of 1985 requires the Town to adopt written welfare guidelines prior to April 1, 1986. Copies are available at the Town Hall.

ARTICLE 22. To see if the Town will vote to authorize the Selectmen to spend the money remaining in the Conservation Commission "Sandwich Notch Land Procurement Fund" for other Conservation Commission projects.

ARTICLE 23. To see if the Town will vote to authorize the Selectmen to sell 20M5, a 1957 GMC with Maxime fire body, 750 Hale two stage pumper, body number VIN 554T1099, on such terms and under such conditions as the Selectmen shall determine. Proceeds from the sale of the truck are to be added to the Capital Reserve Fire Department Equipment Fund.

ARTICLE 24. To see if the Town will vote to raise and appropriate the sum of \$1,102.00 in support of the Carroll County Mental Health Services, Inc. This is a petition article. If this appropriation was approved in Article 9, pass over this article.

ARTICLE 25. To see if the Town will vote to raise and appropriate the sum of \$741.00 in support of Inter-Lakes Day Care Center. This article is by petition. If this appropriation was approved in Article 9, pass over this article.

ARTICLE 26. To see if the Town will authorize the Selectmen to borrow money in anticipation of Taxes, the same to be paid from revenue of 1986.

Given under our hands and the Seal of the Town of Sandwich this 24th day of February, 1986.

To the Members of
the Board of Selectmen
Town of Sandwich
Sandwich, New Hampshire

We have examined the combined financial statements and the combining fund financial statements of the Town of Sandwich, New Hampshire as of and for the year ended December 31, 1985, as listed in the table of contents. Our examination was made in accordance with generally accepted auditing standards and, accordingly, included such tests of the accounting records and such other auditing procedures as we considered necessary in the circumstances.

As described in Note 1B, the combined financial statements referred to above do not include financial statements of the General Fixed Asset Group of Accounts which should be included to conform with generally accepted accounting principles.

In our opinion, except that omission of the General Fixed Asset Group of Accounts results in an incomplete presentation, as explained in the above paragraph, the combined financial statements and the combining fund and account group financial statements referred to above present fairly the financial position of the Town of Sandwich, New Hampshire at December 31, 1985, and the results of its operations for the year then ended, in conformity with generally accepted accounting principles applied on a basis consistent with that of the preceding year.

Our examination was made for the purpose of forming an opinion on the combined financial statements taken as a whole and on the combining fund financial statements. The accompanying financial information listed as supplemental schedules in the table of contents is presented for purposes of additional analysis and is not a required part of the combined financial statements of the Town of Sandwich, New Hampshire. The information has been subjected to the auditing procedures applied in the examination of the combined and combining fund financial statements and, in our opinion, is fairly stated in all material respects in relation to the combined financial statements taken as a whole.

TOWN OF SANDWICH

NOTES TO THE FINANCIAL STATEMENTSDecember 31, 1985NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The following is a summary of significant accounting policies employed in the preparation of these financial statements.

A. Fund Accounting

The accounts of the Town are organized on the basis of funds or account groups, each of which is considered a separate accounting entity. The operations of each fund are accounted for with a separate set of self-balancing accounts that comprise its assets, liabilities, fund equity, revenues, and expenditures, as appropriate. Government resources are allocated to and accounted for in individual funds based upon the purposes for which they are to be spent and the means by which spending activities are controlled. The various funds are grouped by type in the financial statements. The following fund types and account groups are used by the Town.

GOVERNMENTAL FUNDS

General Fund - The General Fund is the general operating fund of the Town. All general tax revenues and other receipts that are not allocated by law or contractual agreement to another fund are accounted for in this fund. From the fund are paid the general operating expenditures, the fixed charges, and the capital improvement costs that are not paid through other funds.

Special Revenue Funds - Special Revenue Funds are used to account for the proceeds of specific revenue sources (other than expendable trust or major capital projects) requiring separate accounting because of legal or regulatory provisions or administrative action. Included in this fund type are Federal Revenue Sharing, Driveway Plowing, Blanchard and Hall Highway and Sidewalk, Wentworth Library, Conservation Commission and Forestry Committee funds.

Capital Projects Funds - Transactions related to resources obtained and used for the acquisition, construction or improvement of capital facilities are accounted for in Capital Projects Funds. Such resources are derived principally from proceeds of long-term notes or bonds from Federal and State grants and gifts.

Special Assessment Fund - Special Assessment Funds account for the financing of improvements and reconstruction to the Sandwich Slopes Road in accordance with Article I, authorized at the April 23, 1985 Special Town Meeting. All costs are to be recovered from the landowners abutting the roadway by a betterment assessment as determined by the Selectmen.

TOWN OF SANDWICH

NOTES TO THE FINANCIAL STATEMENTS

December 31, 1985

FIDUCIARY FUNDS

Trust Funds - Trust Funds are used to account for the assets held in trust by the Town for others.

B. Account Groups (Fixed Assets)

All Governmental Funds and Expendable Trust Funds are accounted for on a spending or "financial flow" measurement focus. This means that only current assets and current liabilities are generally included on their balance sheets. Their reported fund balance (net current assets) is considered a measure of "available spendable resources". Governmental fund operating statements present increases (revenues and other financing sources) and decreases (expenditures and other uses) in net current assets. Accordingly, they are said to present a summary of sources and uses of available spendable resources during a period.

General fixed assets have been acquired for general governmental purposes and have been recorded as expenditures in the fund making the expenditure. These expenditures are required to be capitalized at historical cost in a General Fixed Asset Group of Accounts for accountability purposes. In accordance with the practices followed by other municipal entities in the State, the Town does not maintain a record of its general fixed assets and accordingly, a statement of general fixed assets, required by generally accepted accounting principles, is not included in this financial report.

C. Basis of Accounting

The accounts of the Governmental and Expendable Trust Funds are maintained and reported on the modified accrual basis of accounting. Under the modified accrual basis of accounting, sources of financial resources and assets are recognized when measurable and available to finance operations during the year. Uses of financial resources and liabilities are recognized when obligations are incurred from receipt of goods and services, when assessments are made by the State or in the case of judgments and claims against the Town, when there is a probability that such judgments and claims will result in liabilities, the amounts of which can be reasonably estimated. All Nonexpendable Trust Funds are accounted for using the accrual basis of accounting.

TOWN OF SANDWICH

NOTES TO THE FINANCIAL STATEMENTS

December 31, 1985

D. Budgetary Accounting

General governmental revenues and expenditures accounted for in budgetary funds are controlled by a formal integrated budgetary accounting system in accordance with various legal requirements which govern the Town's operations. The Town budget represents departmental appropriations as authorized by annual or special town meetings. The Selectmen may transfer funds between operating categories as they deem necessary. State Statutes require balanced budgets but provide for the use of beginning fund balance to achieve that end. In 1985, beginning fund balance was applied as follows:

Unreserved Fund Balance	
Used To Reduce Tax Rate	\$ 83,500
Beginning Fund Balance -	
Reserved For Encumbrances	<u>35,906</u>
Total Use of Beginning Fund Balance	<u>\$119,406</u>

E. Encumbrances

Encumbrance accounting, under which purchase orders, contracts, and continuing appropriations (certain projects and specific items not fully expended at year-end) are recognized, is employed in the governmental funds. Encumbrances are not the equivalent of expenditures; and are therefore reported as part of the fund balance at December 31 and are carried forward to supplement appropriations of the subsequent year. The reserve for encumbrances at December 31 consists of the following:

<u>General Fund</u>	
Computer Study	\$ 1,767
Dry Fire Hydrants	3,545
Road Signs	618
State Road Improvements	30,000
Town Building Improvements	2,911
1985 Highway Block Grant	<u>35,044</u>
<u>Total</u>	<u>\$73,885</u>

TOWN OF SANDWICH

NOTES TO THE FINANCIAL STATEMENTS

December 31, 1985

F. Investments

Investments in all instances are stated at cost, or in the case of donated investments, at market value at the time of bequest or receipt.

G. Inventories

Inventory in the General and Special Revenue Funds consists of expendable supplies held for consumption. The cost thereof has been recorded as an expenditure at the time individual inventory items were purchased.

H. Accumulated Unpaid Vacation and Sick Pay

Accumulated unpaid vacation and sick pay is not accrued in the Governmental Funds using the modified accrual basis of accounting. Employees may accumulate fifteen days sick leave at a rate of five days per year. Vacation is granted in varying amounts depending on department. Vacation and sick pay accumulation does not exceed a normal year's allowance.

I. Taxes Collected For Others

The property taxes collected by the Town include taxes levied for the Interlakes Cooperative School District and Carroll County which are remitted to these governmental units as required by law. The ultimate responsibility for the collection of taxes rests with the Town.

J. Property Taxes

The National Council on Governmental Accounting, Interpretation 3, referring to property tax revenue recognition, requires disclosure if property taxes receivable, which are to be collected beyond a period of 60 days subsequent to December 31, 1985, are recognized on the balance sheet and not reserved. In accordance with the practice followed by other municipal entities in the State of New Hampshire, the Town of Sandwich annually recognizes, without reserve, all tax receivables at the end of the fiscal year. The Town feels this practice of accrual is justified as it more appropriately matches the liability to the school district entity at December 31, with collections which are intended to finance these payments through June 30 of the following year.

Annually, the Town establishes and raises through taxation an amount for abatements and refunds of property and resident tax revenues known as overlay. All abatements and refunds are charged to this account. The amount raised in 1985 was \$14,160 and expenditures amounted to \$5,312.

TOWN OF SANDWICH

NOTES TO THE FINANCIAL STATEMENTSDecember 31, 1985

As prescribed by law, the Tax Collector sells at tax sale all uncollected property taxes in the following year after taxes are due.

The purchaser at tax sale has a priority tax lien on these properties and accrues interest at 18% per annum. Delinquent taxpayers must redeem property from tax sale purchasers.

Property is sold to the party who will accept a lien for the least undivided interest in the property for payment of taxes and related costs due. If property is not redeemed within the two year redemption period, the property is tax-deeded to the lien holder.

K. Interfund Transactions

During the course of normal operations, the Town has numerous transactions between funds, including expenditures and transfers of resources to provide services and fund capital outlay. The accompanying governmental and fiduciary fund financial statements reflect such transactions as transfers.

L. Interfund Receivable and Payable Balances

Individual fund interfund receivable and payable balances at December 31, 1985 were as follows:

<u>Fund</u>	<u>Interfund Receivables</u>	<u>Interfund Payables</u>
General Fund	\$ 66,848	\$30,166
Special Revenue Fund	37,275	212
Capital Projects Fund		9,511
Special Assessment Fund		55,426
Trust Funds	<u>2,261</u>	<u>1,000</u>
<u>Totals</u>	<u>\$106,384</u>	<u>\$96,315</u>

The difference in receivables and payables occurs because of cash transfers dated as of December 31 in the Trust Funds and Library Fund, but recorded as accruals in the General and Special Revenue Funds. These total \$10,069.

TOWN OF SANDWICH

NOTES TO THE FINANCIAL STATEMENTSDecember 31, 1985NOTE 2 - CAPITAL RESERVE FUNDS

The Capital Reserve Fund balances held by the Trustees of Trust Funds at December 31, 1985 are as follows:

<u>Purpose</u>	<u>Amount</u>
Highway Equipment	\$ 63,670
Fire Protection Equipment	24,821
Dump	8,261
Police Department Equipment	12,395
Office Equipment	17,545
<u>Total</u>	<u>\$126,692</u>

NOTE 3 - PENSION PLAN

The Town participates in the State of New Hampshire Retirement System. The Town's contribution for normal cost of the plan is based upon an actuarial valuation of the entire State plan. Since the actuarial valuation is performed on the entire State plan the amount, if any, of the excess of vested benefits over pension fund assets is not available. The Town does not have an accrued liability for past service costs. Pension costs amounted to \$1,857 in 1985.

NOTE 4 - TRUST FUNDS

The principal amount of all Nonexpendable Trust Funds is restricted either by law or by terms of individual bequests in that only income earned may be expended. The Town's Nonexpendable and Expendable Trust Funds at December 31, 1985, are detailed as follows:

<u>Purpose</u>	<u>Nonexpendable</u>	<u>Expendable</u>
Cemeteries	\$ 53,345	\$ 240
Highways and Sidewalks	60,248	399

TOWN OF SANDWICHNOTES TO THE FINANCIAL STATEMENTSDecember 31, 1985NOTE 5 - CAPITAL PROJECT FUND (SEWER PROJECT)A. Project Deficit (\$57,612)

There is a deficit of \$57,612 in the Sewer Project Fund at December 31, 1985. Generally, this deficit arises because of the application of generally accepted accounting principles to the financial reporting for this fund. Bonds or notes authorized to finance the project are not recognized on the financial statements until issued.

B. Bonds or Notes Authorized - Unissued

Article No. II of the March 13, 1984 Town Meeting appropriated \$2,838,000 for the purpose of designing and constructing sewerage and sewage treatment facilities and authorized long-term borrowing not to exceed \$927,000 in accordance with the State of New Hampshire Municipal Finance Act.

C. Bond Anticipation Note Payable

The bond anticipation note payable totaling \$100,000 is held by Bank East, Manchester, New Hampshire at 5.75% and is due June 7, 1986.

NOTE 6 - SPECIAL ASSESSMENT FUNDA. Fund Deficit (\$55,426)

This deficit arises as a result of advances totaling this amount from the General Fund as of December 31, 1985. Capital outlay expenditures totaling \$51,726, along with interest and administrative charges of \$3,700 have been charged to this fund in 1985.

In accordance with Article I of the April 23, 1985 Special Town Meeting, the Selectmen are authorized to borrow up to \$66,000 for the Sandwich Slopes Road Project. All costs are to be recovered from the landowners abutting the roadway by a betterment assessment tax over a period of years to be determined by the Selectmen.

SANDWICH SELECTMEN 1985 Annual Report

This year's report contains changes in personnel, a report on Selectmen's activities, an update on projects approved at the 1985 Annual Meeting, a report on revisions in the presentation of the Warrant Articles, and changes in laws of interest to property owners.

After serving the Town as Tax Collector, John L. "Jack" Webb, Jr. has decided not to pursue re-election, so that he may devote more time to other business interests. Jack has performed the duties of Tax Collector in a quiet, efficient, effective manner for a good many years and the Board of Selectmen join the Town in thanking Jack Webb for a job well done.

Betsy Adriance, secretary to the Board of Selectmen, left to assume a management position. Betsy accomplished many tasks for the Town. She reorganized the Town filing system and provided valuable aid during the renovation of the Selectmen's Office. The Selectmen thank Betsy for her assistance. Joanne Dolan was selected to replace Mrs. Adriance in May.

Police Chief, Marc Mayberry resigned in November to pursue a new career. Marc has purchased a retail food store in Plymouth, New Hampshire, and we wish him well. Charles "Terry" Berry, who served as Special Police Officer, has been appointed as interim Police Chief.

Jill Rawson resigned after serving as Town Clerk for two years. Jill is pursuing a full-time career in real estate. Rita Taylor was elected as Town Clerk to complete the unexpired term. Rita has established her office in the Town Hall and has regular office hours each week.

The Sandwich Slopes Road construction has been completed with the exception of the final sealing of the road surface. The project cost, including the spring road surface sealing will be accomplished for \$8,000.00 less than the amount appropriated at the Special Town Meeting on April 23, 1985.

The painting of three Fire Stations and the balance of the Town Hall plus the replacement of the copper roof on the Town Hall has been completed.

Renovation continues within the Town Hall. The Selectmen's Office and the inside portion of the rear fire escape stairway have been completed. The second floor auditorium ceiling has been painted and the floor sanded and refinished. The report from the Town Hall Renovation Committee gives a complete report on the project.

Driveway snow plowing presents a continuing area of misunderstanding. Driveway plowing for those who participate in the program is done by private contractors and by Town Highway employees. Snow must be in excess of three inches to have driveways plowed. Private contractors are called out to plow driveways when the storm stops.

Highway employees begin plowing driveways when the town roads are finished being plowed. Should there be an equipment breakdown, the route is to be plowed by other plowers when their routes are completed. Those individuals who must have use of their driveways before the storm ends or before the scheduled plower reaches their driveway should arrange for other means to open up their driveway. The assigned plower will clean up the driveway on his normal route sequence.

The Equalized Valuation of property in Sandwich dropped from 89% in 1985 to 66% in 1986. The rate is established by the New Hampshire Department of Revenue Administration each year, based upon annual Town property sales through April 1. Funds are needed to set up a quarterly indexing program in 1986, so that a property value update may be accomplished in 1987. When completed, the Town property should be at 100%.

A change in the format for presentation of warrant articles has been recommended by the New Hampshire Department of Revenue Administration and the Town Auditors. Some warrant articles have been combined. A detailed budget breakdown follows the warrant.

Attention is called to the following articles. Article number 2 asks the Town to vote to adopt a Blind Exemption of \$15,000.00 in property value for those property owners that are legally blind. This vote must be in the form of a warrant article for discussion at the Town meeting and voted on by secret ballot. Article number 7 states "to see if the Town will vote to eliminate the Board of Sewer Commissioners". The Selectmen propose that the amendment be overturned after studying the sewer commissioner's duties and the affect on Town Government. A discussion of both sides of the issue was not possible at the 1985 meeting because the Selectmen were not advised of the amendment to create sewer commissioners in advance of the Town meeting.

The Recreation Commission has requested that two warrant articles be inserted in the town warrant. Voters will be requested to vote on the level of recreational activity they wish to support.

New Hampshire State Law requires that surface and subsurface water must be protected from the affects of deteriorating rubbish and refuse deposited through the years in dumps and landfills. We have been warned that our many years of dumping all kinds of things in our Town Dump may now be causing water pollution and that the water underground and in the stream beside the Dump must be tested four times a year to determine whether, and to the extent that, this is true. Monitoring wells have been installed and testing has begun. Results of these tests will determine the severity of the problem but it is likely, sooner or later, that we will be ordered to seal off the Dump to protect the water in the area, and the cost of this sealing or "closure" is tentatively projected to be on the order of \$200,000.00. Article 12 would establish

a reserve fund for this purpose and begin the process of setting aside enough money to get the job done without a severe, one-time charge on our tax bills.

The Highway equipment long range replacement plan calls for a replacement for the present backhoe. It is proposed that a smaller replacement loader backhoe be acquired and that the Hough Loader remain in service.

The Fire department rescue vehicle purchased as a result of the successful fund raising drive is scheduled to be in service in March. The Town must vote to accept the vehicle at the Town meeting.

A budget appropriation of \$3,000.00 to erect street signs at the request of several property owners.

Changes in New Hampshire laws of interest include Timber Tax payment and reports on underground storage tanks. As of April 1, the responsibility of paying Timber Tax on timber cut and sold on timber lots shall be the responsibility of the land owner, formerly the logger or forester was permitted to act for the property owner. Those planning to cut timber should become familiar with the law for timber operations planned after April 1, 1986. The property owners should be receiving an additional 10% for their timber as of April 1, as the buyer will no longer be paying the timber tax.

The United States Congress has mandated that each state conduct a notification program to identify the location and other basic information about underground storage tanks. The New Hampshire Water Supply and Pollution Control Commission has established a due date of May 8, 1986 for registration of certain underground storage tanks handling oil and petroleum liquids. More information and report forms are available at the Selectmen's Office.

The Board of Selectmen expresses its thanks for the many hours given by volunteers serving on Town committees during 1985. Our Town Government functions well because of such efforts.

TOWN HALL RENOVATION COMMITTEE

It must seem as if the renovation of the Town Hall has been going on forever, in fact it has been five years. Approximately \$104,000 has been spent, none of which has been paid by the taxpayers.

About three-fourths of the building has been completely renovated. The work that remains to be done and a very rough estimate of the cost follows:

1. Police office. Remove all old plaster, insulated, install wall-board, repair ceiling and paint, level the floor and cover with the same carpet as used in the selectmen's office. \$5,000.
2. Front lobby, upstairs and downstairs. Repair old plaster or cover with wall board, repair the stairs and cover with industrial carpet, repair and refinish the floor and paint. \$5,000.
3. Build an enclosed fire escape on the south side of the building, incorporating an entrance for the handicapped. The office of the state fire marshall requires the enclosed fire escape. \$40,000.
4. Possibly a lift for the handicapped. \$10,000 to \$15,000.
5. Landscape the grounds in a simple and low maintenance manner. The committee has received donations from the Bear Camp Valley Garden Club and the Sandwich Women's Club to help carry out this project.

Residents of Sandwich, The Quimby Trust, The Sandwich Players and the White Sylvania Trust all contributed to the on-going work in 1985.

The Committee hopes to have the Town Hall Renovation completed in another two to three years. That, of course, depends on how much money we can raise and the continuing support of our generous donors.

The Committee wishes to thank all those who have supported this project in the past and hopes they will continue their support in the future, and our thanks to the selectmen, especially Richard Papen, who has spent many hours in our meetings.

SAMUEL H. WENTWORTH LIBRARY

The library continues its effort to serve the Town of Sandwich with its various functions: a center for information and reference and a source of knowledge and entertainment in the book collection. To make the library hours more consistent, they were changed and thereby increased by two hours.

A most successful and useful addition to the library service was the purchase of a Xerox 1025 copier which has filled a very real need of the citizens of Sandwich. The copies are excellent and the machine is getting substantial use.

In June, M. F. Hambrook suffered a severe heart attack which left us temporarily without an assistant librarian. The Friends of the Library Volunteers rose to the occasion and assisted the Librarian until MF's return in September.

The Friends continue their many activities that so enhance the library services. Of the many programs, the noontime book reviews "Books Sandwiched In" is especially popular. Among the many other activities are monthly exhibits, children's story hour, plants and flowers year-round, outreach (books to those confined at home), library volunteers and the always successful Christmas party. Profound thanks to the many volunteers who contribute so much time and talent to the library through the wonderful Friends organization. The beautiful flower garden in front of the library is due to the Friends' generosity.

MF Hambrook continues to serve as Librarian at the Central School and all the classes of the school come to the library once a week.

The librarians checked the shelves of the whole library collection, insuring all books were in their proper category and all had appropriate cards in the files, a monumental job.

The Bearcamp Garden Club donated two mountain laurel now planted at the front steps of the library. The deteriorating driveway was repaired by the town highway department.

In order to maintain standards the librarians and trustees attended professional meetings and conferences during the year.

Dick Papen does a most capable job in keeping the building and grounds in excellent condition. The problem of the old tile roof and the new flat roof will require work by roofing specialists in the near future.

The five member Book Selection committee meet regularly to choose the books to be acquired by the library, a difficult but interesting job. Suggestions for new acquisitions are welcomed by the committee.

We are so very fortunate to have such exceedingly interested and truly dedicated librarians in Sylbert Forbes and Mary Frances Hambrook.

SANDWICH HOME NURSING ASSOCIATION

Report for 1985

The Sandwich Home Nursing Association, incorporated in July 1980, has had a busy year in 1985. The primary purpose and goal of the Association is to see to it that the people of Sandwich will have available to them at all times the best home nursing care. The care rendered to the people of our town by the nurses of the Visiting Nurse Association of Wolfeboro was again of excellent quality, and 45 patients were so served. The following table compares the care received here in 1985 with that of 1984.

	1985	1984
Number of patients treated	45	42
Total home visits*	671	759
Skilled nursing care visits	385 to 33 pats.	523 to 36 pats.
Physiotherapy visits	270 to 8 pats.	214 to 6 pats.

*This figure includes "New Baby-Well Child" Clinic visits, "Health Promotion" visits, skilled nursing care visits, and those for physiotherapy.

The above table shows that in 1985 there were 3 more patients treated in their homes than in 1984, and 88 fewer home visits were made; 138 fewer nursing care visits were made to 3 fewer patients, and 56 more physiotherapy visits were made to 2 more patients in 1985 as against 1984.

As has been the situation in the last 3 years, the hospital patients were discharged home much earlier in the course of their recovery than was formerly the case. Our VNA nurse, Mrs. Barbara Cleveland, handled all cases skillfully and well in spite of the increased complexity of their not-yet-recovered condition.

As the result of actions taken at the 1985 Town Meeting payment to the Wolfeboro VNA is now made directly by the Town. Freed of this obligation, the Sandwich Home Nursing Association is concentrating on the expansion and improvement of its supply of home nursing equipment and upon the provision of other ancillary home nursing services.

In this regard the Association has collected more home nursing equipment, and has had some of the old equipment refurbished. The equipment is being loaned out to our home-bound recovering, and ill and infirm people. When the equipment is no longer needed in the patient's home it is returned to us, and we clean it thoroughly and have it ready to lend to the next person who needs it. People who wish to use such equipment should call 284-7711, 6655 or 7789.

The Association is actively seeking donations to our Endowment Fund, and we are glad that some have been made as memorials to loved ones. We believe that in these times of ever-increasing costs of

medical and nursing care, and of shorter periods of hospitalization, it is important that our Association build up a "safety net" financial backlog.

SANDWICH PLANNING BOARD

Your Planning Board was pleased that the Town, at the last Town Meeting, voted to adopt amendments to the Zoning Ordinance establishing a Waterfront District and defining Prime Wetlands. The vote exceeded 75% in the affirmative and was solid evidence that the Town recognized the importance of Wetlands and of protecting our lakes and ponds from "funnel development". In this regard we continue to monitor closely the efforts of the Office of State Planning to establish statewide guidance for guiding growth and arriving at regulations that maximize recreational use while at the same time protecting these vital resources against damage from pollution and over-development. A part of this monitoring is the continued attendance by Board members of an annual lecture series presented and sponsored by the N.H. Municipal Association. These lectures are intended to keep your Board abreast of rapidly changing and increasingly complex field—land use law.

Instances have been found of residents naming their own roads, streets, drives, etc. We are all reminded that it is the responsibility of the Planning Board to name or approve names for all official thoroughfares. It is vital that this requirement be observed since postal addresses are involved as are addresses for the fire department as well as other emergency vehicles. Recently the following thoroughfares have been given names: Josiah Beede Road (by Annette Ransom residence); Birch Tree Road (Angier Hill); Sandwich Slopes Drive; Hannah Road (Ambrose Development); and Miles Road (formerly Miles Pond Road). Suggestions for names of unnamed roads should be submitted to the Planning Board for approval. In general, names should have historic significance or be descriptive in character.

Finally, we were deeply saddened by the loss of Bob Brewer this past year. Bob served on the Planning Board for some twenty years, during which he served in the capacity of Chairman for several terms. We shall miss his expertise, his friendly counsel, his dedication to his town, and his unflinching sense of humor.

SANDWICH BOARD OF ADJUSTMENT 1985 Annual Report

In 1985, the Board of Adjustment met twelve times. Ten hearings on appeals were held and eight decisions rendered. Two hearings were continued into 1986. The appeals involved eight requests for variances and two requests for special exceptions. One motion for rehearing was filed and decided.

In addition, the Board conducted an intensive study and review of its Rules of Procedure in an effort to improve them and to comply with newly enacted requirements of the state statutes. The Board also completely revised the application for appeal form in an effort to make it more informative for the Board and to help the applicant understand what should be presented to the Board in the way of information about the question presented. In connection with the form revision, the Board wrote a comprehensive set of instructions to applicants to explain the appeal process and what is required to be granted a valid variance, special exception, or relief from an administrative decision.

The Board reminds anyone contemplating building a new building, making changes or additions to existing structures, or changing uses of their property to review carefully the Zoning Ordinance of the Town. If required, application for the appropriate permit should then be made to the Selectmen. This could eliminate unnecessary appeals and delays.

Phil W. Dodge,
Chairman

SANDWICH HISTORIC DISTRICT COMMISSION

Through the efforts of the Historic District Commission the state highway department was persuaded to remove some of the signs they had erected, without the prior knowledge or consent of the town.

The telephone/electric companies removed two large and obtrusive brace-poles they had put up in the village. One was in front of the library and the other between the Corner House and the property of Dr. William Smith. Both companies declined to bury the ugly tangle of wires, underground, unless the town paid the cost.

The Commission has seen that business signs were kept small and uniform in the hope of preventing the visual jungle seen in some towns.

The Commission has prevented the instalation and use of high-powered spot lights and yard lights which would have spoiled the view of the night sky, been an annoyance to neighbors and changed the character of the village.

We will continue working to keep the village the attractive and liveable place that it now is.

Chairman

SANDWICH CONSERVATION COMMISSION 1985 Annual Report

This year, the Conservation Commission wrapped up the Prime Wetlands Evaluation project and began several new studies of natural resources in Sandwich.

Maps and reports for the town's eight prime wetlands were submitted this year to the New Hampshire Wetlands Board. The wetland study will help the state in issuing dredge and fill permits. The study was used for the first time this fall to gauge what impact of the proposed town sewerage system in Center Sandwich may have on Creamery Brook.

Dredge and fill permits and their effect on Sandwich wetlands remains a major part of the Commission's work. Each application to the state for a permit is field checked by two or three Commission members. The Commission then recommends to the Wetlands Board whether the permit should be issued and any conditions the permit should include.

In other projects, Joseph Upson, Commission vice chairman and a former geohydrologist with the U.S. Geological Survey, began mapping town aquifers this year. Brad Smith, Commission secretary last spring, was instrumental in lobbying the state legislature for new restrictions on bear hunting. The law passed last summer reportedly will protect over 100 bears annually and help to improve the population of bear. Ralph and Jenny Bickford worked closely with Selectman Fred Rozelle in studying the impact of wood-fired electric generators proposed in Bridgewater and Tamworth. Several members of the Commission have begun studying U.S. Forest Service management plans for the Sandwich Range and Sandwich Notch.

Sixteen Sandwich youngsters followed the Red Hill River from Dinsmore Pond through Sandwich to Lake Winnepesaukee during "Five Days of Sandwich" in August. The weeklong nature camp taught by Shirley Lear and Rudy Carlson introduced the children to water plants, acid rain, wildlife, topography, old mills and bogs. The camp was supported by gifts from the Bearcamp Valley Garden Club, Whitesylvania Trust and Mr. and Mrs. Earle Peaslee. The Commission plans to run a fourth session of the camp in 1986.

The Conservation Commission meets the second Tuesday of each month at Town Hall, 7:30 p.m. Citizens are invited to attend and to join in any project which interests them.

SANDWICH RECREATION 1985

A breakdown of recreational activities is as follows:

- The Fair Association donated the large commercial building for the indoor skating rink in January 1985. Because of lack of use it was not set up this winter. An outdoor rink was put on the North Sandwich property under the guidance of the Sandwich Rec. Commission.

- The school ski program was held at Ossipee Mt. for downhill and on the school grounds for cross-country. Unfortunately because of school scheduling the Gunstock Outreach Program could not be utilized.

- A gymnastics program was offered to elementary school children and preschool age activities through an instructor from the Yankee Fitness Center of Plymouth.

- Little league baseball was offered with a major, minor and girls softball teams. The major team made the playoffs for the first time.

- The tennis courts were re-done with a rubberized sub-surface which made them easier to play on.

- The summer program provides adult and youth tennis lessons and tournaments.

- A town beach program with swimming, aquacizes, etc.

- A trip to the Volvo Masters Tennis Tournament in Conway.

- Old Home Week activities.

- Hiking trip under volunteer supervision by the Sandwich Rec. Commission.

- The Tri-town Raiders, with many Sandwich members, won the state major softball championship and went to Atlanta, Georgia where they finished 25th in the nation. The team will travel to Spokane, Washington for next years tourney.

- The Sandwich youth soccer team finished 2nd in the Meredith soccer league, this is the second good season in a row. Much credit goes to a great bunch of kids and to Mr. Dave Taylor for his help the past two years. The Sandwich coaches also were in charge of the Meredith All-stars, which finished second in the Meredith All-star Tournament. The final game was determined by a shoot-out.

Many thanks to all the people who have helped with the recreational activities this year. Also, thanks to the Quimby Trustees who have provided funds for most of these activities.

Respectfully submitted,
Jere Burrows

SANDWICH RECREATION COMMISSION

The calendar year 1985 showed the Recreation Commission active in numerous areas. The Sandwich beach program was again successful, as were other programs sponsored by the Commission: a gymnastics class, x-country ski clinics, and Dave Stuntz' dog obedience classes.

Development of the North Sandwich park property progressed well this year, due to the volunteer efforts of many townspeople—particular thanks to Bob Rowan for his help on the project. Over 50 workers volunteered their time and equipment in plowing, leveling, raking and seeding the property. Approximately 500 volunteer hours were compiled. The property is now more compatible for field sports, has a level skating rink and plans are proceeding for tree pruning and planting in the near future. More improvements and funding are in store for this year.

For some years the Quimby Trust Fund has been developing and funding recreation in Sandwich. These activities have included down-hill skiing, baseball and soccer teams and tennis lessons. The Quimby Trustees would like to have the town take over the programs and have agreed to fund it at the same level in the beginning with decreasing financial involvement over a period of time.

The Recreation Commission has been considering two possible ways to take over the Quimby program and create a town sponsored recreational program. One approach would be for the town to have a part-time program, that is taking the existing Quimby program and adding it to our own budget for the present town run programs. The other choice for the town is to create a full-time program for Sandwich and hire a year-round recreation director who would develop and oversee comprehensive recreational opportunities for all ages. The Recreation Commission comprised of 5 townspeople appointed by the Selectmen would advise and oversee either a full- or part-time director. We would like you to prepare to vote on two warrant articles at town meeting: the first one will be to raise the amount of \$27,455.00 and support a full-time recreation director, the second will be voted on if the first article is passed over and it will be to raise the amount of \$25,055.00 and to support a part-time director.

In either case, the Quimby Trust Fund would be contributing \$16,000.00 the first year and plans to taper off its financial support gradually.

Informational handouts explaining the two choices in more detail, will be available to townspeople in advance of Town meeting. We encourage you to look them over carefully.

The Recreation Commission meets the first Tuesday of each month at 7:30 p.m. at the Town Hall. We look forward to your involvement and support in the coming year.

SANDWICH POLICE DEPARTMENT

Annual Report — 1985

1985 found Chief Marc Maybery leaving the Sandwich Police Department to seek a new career in the world of business. Marc's expertise and knowledge in the law enforcement field will be greatly missed. I would like to take this opportunity to personally thank Marc for giving me the opportunity to serve the Town of Sandwich. Good luck, Marc, in your new endeavor.

I would like to reiterate Marc's statement last year to the good citizens of Sandwich that if you see or hear anything that you feel is suspicious in nature to please not hesitate in notifying the authorities. Your call could be the call that stops or prevents a crime.

There is a leash law in your town that was voted into law by the citizens. This law was put into effect for the safety of your pets as well as for the protection of the citizens and their property. We receive numerous complaints each month and would like to remind pet owners of this leash law and ask that they abide by it.

I look forward to serving the community of Sandwich in the upcoming year and wish to thank Troop E of the New Hampshire State Police and other local Departments along with the citizens of Sandwich for their support and assistance throughout the year.

Respectfully submitted,
Terry Berry,
Interim Chief

SANDWICH HIGHWAY DEPARTMENT
Annual Report 1985

On April 17, 1985, our new G.M.C. Dump Truck was delivered to the Highway Department. We received a price from Barrett Bodies for \$1,475.00 to rebuild the old plow frame and mount it on the new truck. After studying the problem, we decided that the Highway Crew could do the work and Keith Wheeler and Bill Quinn rebuilt the plow frame and mounted it on the new truck; it is a good job.

We rented a Crushing Plant from Bruce Robinson so that we could crush, at Wilbur Cook's pit, all the gravel necessary for Town Road maintenance and repair. 3,000 yards were crushed at a considerable savings. We also have a stock-pile on hand for emergencies and convenience.

Driveway plowing was done twelve times in the winter of 1984-85, at an average charge of \$2.50 a storm for a ninety foot driveway.

I don't think you could start a snowblower for that amount.

There are roughly 12¾ miles of driveways that the Town plows.

The re-construction of Red Hill Road was completed and the road is now wider and smoother. Two loaders were used in removing three rocks, each of which took one day to dig out.

Mason Road was extensively regraded by correcting the ditching on each side and removing huge rocks. The hard surface had to be patched at a cost of \$1,900.00 for material and the road resealed.

My thanks to the men of the Department for their complete cooperation and willingness at all times and to the Selectmen.

Respectfully submitted,
Peter E. Prentice,
Road Agent

SANDWICH FIRE DEPARTMENT

Annual Report 1985

In Town Fires	22
False Alarms	0
Out of Town Mutual Aid Calls	38
Search, Rescue and Medical Emergencies	37
Other Emergencies	7
Service Calls	<u>10</u>
Total Calls	84

This past year saw a decrease in our total calls but an increase by two in fire calls. Chimney fires decreased by one, but formed 59% of our emergencies calls.

Please continue to have your chimneys cleaned and checked at least once a year. One of the structure fires this past fall started from a chimney fire, but because of the activation of a smoke detector it was quickly detected and reported so that we were able to extinguish it before extensive damage was done. This once again showed the value of smoke detectors!

A second structure fire at the end of the year caused extensive damage to a summer home even though it was reported promptly and the Department made an excellent stop. This fire also was caused as a result of wood heating.

We would like to take this opportunity to publically extend our thanks to Stuart Heard for the many, many years of service in the Fire Department and for the years he served as its secretary. Stuart retired from active duty this past year.

We would also like to extend our heartfelt thanks to all who supported our recent fund drive to raise money for a badly needed rescue truck. The drive was very successful and we are currently awaiting delivery of the new truck and hope to have it in service early in 1986.

There still is a great need for new members of the Department both for firefighting and the rescue squad. This need is particularly pressing for daytime responses. Anyone interested is urged to contact one of the members or the Selectmen's office.

I wish to thank all that have given time, help and support this past year particularly our members, the Sirens, the Police and Highway Departments and the Selectmen.

Francis G. Hambrook,
Chief

NOTICE TO VETERANS

Any veteran entitled to tax exemption in order to obtain same, must file with the Selectmen his permanent application before April 15th or contained in an envelope addressed to such officials postmarked by that date. If a person eligible for exemption changes his domicile or a veteran's wife becomes a widow during the year, a new permanent application must be filed with the assessing officials in the succeeding year.

If a husband and wife are both veterans each must file a separate permanent application.

An application for Service Exemption which appears on the bottom of your Inventory of Taxable Property form must be filed yearly before April 15th.
